Tickets must be purchased and craft preference must be selected in advance in order to prepare properly. The wooden templates will be cut and sanded down in advance. We will have a selection of ribbons to choose from for add-ons and holes can be drilled to attach a string to make your craft a beautiful door/window hanger. Anyone can purchase tickets and attend this event. Please spread the word to as many as possible and we hope to see you all there!

**Weather Drawings**- At the end of February, beginning of March, we have been and will continue to discuss weather (sunny, rainy, cloudy, snowy, windy, etc) After our discussion we will have the children draw their very own picture demonstrating their favorite weather. We will be submitting their drawings to the Herald Standard Newspaper for possible publication.
