The Holiday's are approaching!

It is hard to believe that Thanksgiving will soon be here and Christmas won't be far behind it! We have been so busy in the classroom working on writing our names, learning letter sounds, numbers, letter recognition, writing, shapes, colors, etc. This month will surely be a busy month for us as well! I hope you are ready for it, I know we are!

Sincerely,

Mrs. Shroyer and Mrs. Shultz

What's going on in the classroom?

As always we will focus on a number, color, letter and shape. We review all shapes, colors, numbers and letters everyday in our meeting. This month in honor of Thanksgiving we will talk about what we are thankful for, the first Thanksgiving, traditions, Pilgrims and Indians, and fall harvest foods. We will also be learning new nursery rhymes, sight words, and practicing writing our names.
