Fall is in the air!

We hope you are enjoying Asbury preschool so far. We know we are! The kids are adjusting to the routines quite well. We are so glad to say we have some great fall activities planned for this month. Now that everyone is comfortable and learning the routine we can get to work practicing our names, reviewing letters, numbers, shapes, etc! This month will surely be a busy month for us! I hope you are ready for it, I know we are!

Sincerely,

Mrs. Shroyer & Mrs. Shultz

What's going on in the classroom?

As always we will focus on a number, color, letter, and shape. We review all shapes, colors, numbers, and letters every day in our meeting. This month we will be learning about Fall, fire safety and learning how pumpkins grow. We will also be learning about Columbus Day, new nursery rhymes, and practicing writing our names. Show and Tell is the first Thursday and Friday of Every month. Our next show and tell is October 1st and October 7th. Star Students have begun! Chosen students will get to fill out a poster telling us all about their self. They will then be put on display on our star wall bulletin board in the hallway for all to see! We will also be having a pumpkin decorating contest, we will be sending more information on that soon!
