

# Preschool NEWS

## Assessments

We will be working one on one with each student to complete their final assessment this month. We try our best to have them completed and sent home prior to the local school districts Kindergarten registration dates.

## Parent/Teacher Conferences

We will be having conferences as soon as all the assessments are completed and sent home. We will put a sign-up sheet on the table in the hallway outside of our room as soon as we can get accurate dates and times.

## NO SHOW & TELL IN APRIL

preschool registration

**Classes are starting to fill up for next year! If you or maybe someone you know has a child they are wanting to enroll in preschool please let them know to enroll now to ensure their spot! We appreciate you helping us spread the word!**

As Spring finally arrives we will be discussing the beautiful things taking place outside. We will be talking about frogs, flowers, trees, rain, rainbows, and butterflies. We also will be learning about Earth day and keeping our Earth clean. We are busy with many Easter activities this month also! We are beginning to wrap up our letters and sounds, as well as learning new things. We will be sending home more and more things as we are nearing the last months of school so again we just want to remind parents to check your child's folder and the parent board in the cubby area as well as the table in the hallway for any important updates, papers, and reminders. We wish you all a healthy, Happy Spring!

## \*IMPORTANT DATES TO REMEMBER\*

\* Our class Easter Parties will be on Wednesday, April 13th and Thursday, April 14th.

\*We will be closed for Spring break April 15th-18th.
