WHAT TO EXPECT IN OUR CLASS THIS MONTH!

As the flowers are blooming, the students are too! They are almost ready for kindergarten! It is hard to believe that graduation is right around the corner. We will be very busy this month preparing for Mother's Day & Graduation! We will be finishing up all our projects and keepsakes from our time here at school! The students have come so far, and we couldn't be prouder of them and the progress they have made. Your children become our children and each year is hard for us to say goodbye! We have grown to love them, and we thank you for the opportunity to allow us to be their teacher!

Reminders

We are still accepting Enrollment for next year. If you or someone you know needs an enrollment form, please see us! We appreciate your helping us spread the word!
